Archbishop Montgomery's Visit to the Valley

On Sunday, July 2nd, His Grace Archbishop Montgomery will administer the Sacrament of Confirmation in St. Francis' Church to a class of fifty children. The ceremony will take place after mass which begins at 8:30 a. m. During the celebration of the mass the children will sing appropriate hymns. After Confirmation is administered, His Grace will proceed immediately to Glen Ellen, to bless the new St. Mary's Church. This ceremony will begin at 11 a. m. and will be followed by a High Mass. An augmented choir under the direction of Mrs. Lulu Emparan, will sing the mass. As it will be the first visit of Archbishop Montgomery to the valley, undoubtedly a large crowd will turn out to witness the solemn and impressive ceremonies at both places and listen to the sermons of the eloquent and well-known prelate. When the services are over and the spiritual wants of the worshippers are attended to, the Catholic Ladies of Glen Ellen have made all arrangements to satisfy their corporal needs by providing a lunch. The lunch will be served in Mayflower Hall, thanks to the good ladies of the Congregational Church. A moderate price will be charged for the benefit of the new church.

SHOULD GET A MEDAL

Editor Expositor:
Dear Sir,—If there are any medals to be awarded for heroism in this neck of woods, I would recommend A. T. Skinner as a deserving person. A man who will undertake, single-handed and alone, to drive ten "better halves" (a misnomer) a distance of fifteen miles and live to tell the tale, is certainly a hero. He is now suffering from "Blabberculosis," that is, he imagines he can hear female voices in the distance. Bravo! Skinner.

Yours, etc.,
J. R.

TEACHERS EXAMINATION

An even dozen applicants appeared at the Board of Supervisors rooms in the Court House on Monday to take the examination prepared by the Co. Board of Education, for Grammar Grade Certificates. There were eleven young ladies and one young man. The examinations closed to day and the results will be announced next week.

The newly wedded couple step through the door of the future. They pass from the happy, thoughtless present into an avenue of possibilities. The future is what they make it—what their health makes it—happy or miserable—a success or failure—full of love and brightness and joyfulness of mutual love and helpfulness, and healthy, rolicking children, or tortured with pain and sickness and mutual fault-finding and dependence, and lacking the binding tie of healthy, happy offspring. A world depends upon the young wife. If she has taken proper care of herself and is healthy in a womanly way, the probabilities are all in favor of a happy home, filled with the music of childish laughter. Two young women neglect to take care of their womanly selves. They shrink from the distasteful "examinations" and "local treatments" upon which most physicians insist. There is no need for this. Dr. Pierce's Favorite Prescription acts directly on the important and delicate organs concerned in wifehood and motherhood. It makes them strong and healthy. It allays inflammation,

Deafness Cannot be Cured

by local applications, as they can not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness, caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

A SAD DEATH

The friends of Mr. and Mrs. W. H. Hyde, nee Hope, learn with sincere sympathy of the loss of their dear little daughter Adelaide Hope Hyde, whose little soul took its flight to that better world some weeks ago in Paris, France.

The immediate cause of death was spinal meningitis, although the little sufferer had just about recovered from an annoying attack of whooping cough followed by pneumonia.

The remains were cremated in Paris.

Mr. and Mrs. Hyde are expected to arrive in Sonoma tomorrow or Sunday.

Their home coming will be tinged with sadness for the friends and relatives who expected to greet the new baby and the proud father and mother who are now heartbroken over their loss.

The Greatest American Two-Cylinder Touring Car Ever Sold

FOR \$1550.00

This car is superior in design and speed, to many of the best two-cylinder cars built in 1905—cars which sold from \$2000 to \$3000.

It is very easily controlled and is quick in action. It runs on high speed up to 50 miles an hour. This machine is very popular in San Francisco as it has the power to take heavy grades on high speed. Don't forget that our French Type Runabout at \$900.00 (E. G. B. San Francisco) has no equal. Our City Car \$1200.00 is a standard "Office on Wheels." Our Tourer \$1550.00 is a good-looking, practical family car. Altogether we have twelve types of machines. CUMMINGS runs the year through and can fix any car. The wear and tear expense is \$10.00 to \$15.00 for other makes.
